

## **Frequently Asked Questions Regional Youth Leadership Mobility Programme**

1. What are the themes - main priorities of the research, in order for me to choose?

Two themes are digital transformation in education and Youth participation. For more details, please refer to the full call for participation [here](#).

2. Can we make our proposal exactly to those two topics or we can extend to some subtopics that can be related to them?

You should identify a specific issue / problem / aspect within the two themes and provide your own angle into it. So feel free to propose specific sub-topics or perspectives.

3. Which period is planned for Albanian students to be in Serbia?

The mobility is planned for March –April2021. Albanian youth shall stay in Serbia in March and Serbian Youth in Albania in April. However, slight changes might occur and will be decided after the selection of the candidates and once the capacity building and mentoring process starts. Tentative dates can be found in the full call for participation [here](#).

4. When is planned for the Serbian student to be in Albania?

The mobility is planned for March – April 2021. Albanian youth shall stay in Serbia in March and Serbian Youth in Albania in April. However, slight changes might occur and will be decided after the selection of the candidates and once the capacity building and mentoring process starts. Tentative dates can be found in the full call for participation [here](#).

5. The 4- weeks mobility in Serbia must be in a row or there is flexibility in that regard?

The mobility in Tirana, Albania and Belgrade, Serbia is planned as a consecutive 4 weeks.

6. The research will be individual work?

Yes, you will write an individual research proposal and then a final policy brief / report. However, you will be paired up with your peers and mentors to exchange ideas, experiences and joint advocacy actions.

7. Can we send other questions during our proposal writing to the email address provided by you?

You can send questions for clarifications at [rylmp2021@gmail.com](mailto:rylmp2021@gmail.com) till 03.12.2021

8. The costs of the activities. for example, printing of questionnaire forms, will be covered by applicant?

There are some costs covered for the advocacy actions. CEP and SCiDEV will support. When you agree final methodology of your research with your mentor all options will be discussed (e.g. online questionnaires for bigger samples etc.)

9. Are academic titles criteria?

Not an exclusion criteria, the Programme is open to youth representatives (21-30 years old) from academia and civil society organizations interested in developing capacities in the field of leadership, research, and intercultural competencies, and in strengthening regional relations between Serbia and Albania. Full details can be found in the full call for participation [here](#).

10. Should the reference letter be prepared for this specific application?

Recent reference letters are preferred, however even previous references can be submit, with the condition that the referrer is informed and his/her contact details are up-to-date.

11. I am not vaccinated against COVID-19, is the vaccination required to conduct the physical mobility?

Currently, no vaccination is obligatory to enter either of the countries, given that a PCR negative test valid for last 72 hours prior to the trip is submitted, or the proof that the traveller has passed COVID-19 recently. COVID-19 rules and regulations are constantly changing; however the organizers shall inform participants of any changes to the situation and take adequate measures. Please follow the recommendations of your medical doctor about vaccination.
